

**Eugene Myrick Gratefully Accepts Endorsement from Solidarity with Humanity
[**FOR IMMEDIATE RELEASE**]**

Raleigh, NC — September 24, 2024

Today, with immense gratitude and a deep sense of purpose, I am honored to receive the endorsement of **Solidarity with Humanity** in my candidacy for Mayor of Raleigh. This endorsement holds special significance for me, as it reflects my commitment not only to the people of Raleigh but to all those across the globe who are fighting for their freedom, dignity, and basic human rights.

Solidarity with Humanity has been a beacon for those who strive to see an end to oppression in all its forms. Their advocacy for the liberation of all people, including the people of Palestine, aligns with the core of what I believe: that no human being should live under the weight of violence, systemic injustice, or exploitation. Their decision to stand with me is an endorsement of my belief that we must build bridges of empathy and justice both locally and globally.

I am moved by their recognition of my advocacy for a ceasefire in Palestine and my broader stance on the fundamental rights of all oppressed communities. As I have said throughout my campaign, leadership must come from a place of integrity and courage—fueled by an unrelenting pursuit of justice for all people, regardless of race, religion, or nationality.

In Raleigh, we face our own battles against inequity, and as Mayor, I will continue to fight for the voiceless and vulnerable, just as I stand in solidarity with the global struggle for human rights. This endorsement strengthens my resolve and reminds me that our fight for justice knows no borders.

Thank you, **Solidarity with Humanity**, for your trust, your partnership, and for standing with me in this movement. I am eager to continue this journey together, amplifying the voices of the oppressed, and working for a future that embraces compassion, equity, and true liberation.
